- Due to the narrow path for participants, there are to be no walkers "beside" any vehicle.
- Performing units should plan to stage their show for a maximum of 30 seconds at the judges' viewing stand only. The viewing stand is located in front of the Eiland Band Stand.
- "Regulated" float specifications are:
 - Maximum Height – 12 feet
 - Maximum Width – 10 feet
 - Maximum Length – 50 feet
- To ensure the safety of all parade participants and spectators, it is recommended that any trailers and tow vehicles have wheel covers.
- All parade vehicles/floats must be able to make a 90° degree turn.
- All units waive the rights of reproduction for advertisement and other promotions—this includes photos that might be taken of your parade entry.
- Owners must provide waste removers a/k/a "pooper scoopers" during the line-up and throughout the parade for any parade entries which include animals. NO exceptions!
