

# What is the ReStore?

The ReStore is a reusable building materials and home furnishings business operated by East Pasco Habitat for Humanity. New and used items, ranging from lumber and hardware to furniture and appliances, are donated to the ReStore and are then resold to the public at a discounted price. Proceeds from the ReStore support East Pasco Habitat's mission to provide low-income families with homeownership opportunities through the construction of decent, safe and affordable homes in our area.

**Opened in August 2005**, the ReStore is now a full-time operation—open six days a week. Thanks to our terrific volunteers and support from local donors (corporate and private), the ReStore continues to grow as a resource for families in our community.

**Please think of the ReStore** whenever you need to purchase or recycle building materials, decorative items, furnishings or other merchandise for the home.

**Call us before you demolish** any home or building. We may be able to salvage materials and contents for use in our building projects or to sell at the ReStore.

## THE RESTORE IS A WINNER FOR THE WHOLE COMMUNITY!

### FUNDING AFFORDABLE HOUSING

ReStore proceeds go directly to East Pasco Habitat for Humanity, helping to eliminate sub-standard housing in East Pasco County.

### ECONOMICAL HOME IMPROVEMENT

Most items in the ReStore are priced at 50% to 70% below typical retail prices!

### HELPS THE ENVIRONMENT

The ReStore provides a place to recycle reusable building materials and home furnishings that might otherwise end up in the landfill.

### TAX DEDUCTION

ReStore donors are provided with a receipt for their contributions, which are tax-deductible.

### VOLUNTEER FRIENDLY

The ReStore provides a friendly place, where community members can volunteer and be a part of Habitat for Humanity's mission.

*Every child should have a safe and decent place to live!*
